

Hitachi Cable America Inc. (HCA), a leading manufacturer of Premise, Fiber Optic and Specialty cables is pleased to announce the promotion of Tom Artinian as the Chief Operating Officer (COO) of the Performance Cable Systems and Materials Division of HCA effective April 1, 2021.

"Tom joined HCA as Executive Vice President in 2020 during an unprecedented year of challenges caused by COVID-19. During his first year with the company, Tom has been a key contributor of the HCA Executive team and a transformational leader for HCA-NH. His steadfast commitment to drive both revenue and employee engagement has produced many positive organizational and business changes, positioning HCA-NH for sustainable growth and success. Tom has excelled in the collaborative development and communication of HCA-NH's objectives, expectations, and internal strategy, while establishing great relationships with many of our customers." - Lynne Humenik, President and CEO Hitachi Cable America

Please join us in congratulating Tom Artinian on his new role within Hitachi Cable America.
